

REPORT

PIRS STUDENTS VISIT FOR MEASUREMENTS AND ASSESSMENT OF DISABLED FOR ORTHOSES PROSTHESES AT FLOOD AFFECTED AREAS OF DISTT. MUZAFFARGARH & DISTT. JHANG

Duration:	01 March 2015 – 03 March 2015	
Total number of students:	04 students of Diploma in Orthopaedic technology , semester I	
Faculty member:	Mr. Irtaza kazmi (Lecturer, Faculty of Orthotics Prosthetics)	
Resource Persons MG :	Mr. Zahid Bhatti	Program Officer MG
	Miss Fauzia Kanwal	Field Officer MG
Resource Persons JHANG :	Mr. Ghulam Raza	Field Officer Jhang

CHEF International is very much focused on the need of Persons With Disability in disaster and emergency situations .Therefore CHEF International developed and designed inclusive Disaster response and risk reduction projects and advocates for Persons with disability .**Districts of Muzaffargarh and Jhang** were among the most affected areas of Recent flood in 2014. CHEF International under its DDR program organized Medical camps in Flood affected areas and identified nearly 25 disabled in need for Artificial Limbs and Braces.

PIRS emerged with a goal to develop an **Inclusive Society** with the involvement of trained and skilled human resource in the community having the aim of not only to provide services but to understand the actual needs and demands of disabled community. It was the best opportunity for PIRS to stand by its mission by helping those who are destitute due to disabilities and disaster at the same time.

The purpose of the visit was to take measurements as first step for the preparation of artificial limbs and braces for identified disabled. Taking the advantage of visit it was the best chance to introduce the working environment and required technical skills to students of PIRS O&P Technician in the disaster affected areas and community, So they can prepare themselves for future needs and demands as qualified O&P technician.

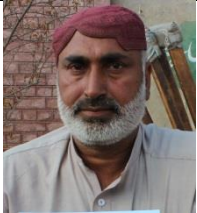

The visit started from PIRS, on Sunday 01 March 2015, and reached Multan in the evening. On 02/March/2015 students were taken to the CHEF Office Muzaffargarh and then to the Union council of Muradabad, District Muzafarabad. 11 patients have been checked at three different villages and **06** casts have been taken. After a night stay at Muzaffargarh, on 03/March/2015, the team has been moved to Chak 11, Near Kasovana village of District Jhang. There nearly 15 patients have been checked and **11** casts have been taken. The measurements have been handed over to the field team to be transported to Islamabad. The team was back on 03/March/2015 Tuesday.

During the visit, students assisted in taking measurements, castings and assessments of Patients. It was very challenging job and the first practical experience for all students to work in community.
